

# Labrie M22

## Antimicrobial Multipurpose Cleaner

### Description

Labrie M22 is a concentrated antimicrobial all-purpose cleanser that can be used for a wide range of application. It is a pH-neutral solution with excellent oil removing power that remove stubborn soil and stain from most surfaces.

### Key properties

Neutral based, readily biodegradable, anti-bacterial and multipurpose cleaning detergent.

### Application

With recommended dosing, the product can be used for cleaning of surfaces.

### Method of Use

#### For manual cleaning:

Dilute 10mL - 50mL of solution Labrie M22 to a liter of water. Actual dosage of solution depends on strength required for application. Clean the surface with cloth, mop or sponge. The cleaned surfaces must be rinsed thoroughly.

Dosage	Solution per dosage
Labrie M22	10 - 50mL/L w/w
